The Italian Ambassador, Marchese Cusani Confaloniere, recently appointed to succeed Baron Mayor des Planches, who was dean of the diplomatic corps as well as Ambassador from Italy, will arrive in Washington to assume the duties of his new post some time this week. The Charge d'Affaires and Marchesa Montagliari, who spent the summer at Manchester-by-the-Sea, have returned to the embassy here for a short time before returning to Italy, where the former will be assigned to another post. Lieut. Filippo Camperio, naval attaché of the embassy, who spent his summer in Italy, will go to sea, and be succeeded here by another officer of the royal Italian navy.

The marriage of Miss Shelby Robinson, daughter of Mr. and Mrs. Hancock Robinson, to Mr. William Nowien Hallock, of Bath, N. Y., will take place on the afternoon of October 13. The ceremony will be performed at 4 o'clock at the home of the bride's parents, at the Woodley, by Rev. Herbert Scott Smith, rector of St. Margaret's Episcopal Church. In the presence of the relatives only. A reception will follow at 4:30 o'clock. The bride will be attended by Mrs. Robert E. Kiser, of Bath, N. Y., as matron of honor. Mrs. Hilton is well known in Baltimore as a girl, Miss Kate Carroll. Her first husband, the father of the bride, was the late Mr. Albert Trego, of Baltimore, who also lived many years in Washington after his marriage, and where he died. SECULAR LEAGUE MEETING.

President Kirk Speaks on "The Age of Discovery."

The opening meeting of the Washington Secular League for the season of 1910-11 was held at Pythian Temple yesterday afternoon.

The principal feature was an address by President Hyland C. Kirk, on "The age of discovery." Notwithstanding the great discoveries of the past, which the speaker said had caused each of the last five centuries to be regarded in its time as an age of discovery, he was of the opinion that the great age of discovery lies in the future, since the greater problems which engage man's attention remain as yet unsolved.

The idea was advanced that the immortality of the individual, or at least the indefinite prolonging of the human personality might be one of the great discoveries or attainments of the future along the lines of scientific investigation and natural law.

The address was discussed by Donald McPherson, Miss Anna MacLaurin Smith, Middleton Smith, Mr. Peigenbaugh, James G. Kent, Dr. J. J. Shirley, Samuel Saloman, J. W. Nigh, and John D. Bradley.

JEWISH ORDER FEAST

Night Before New Year's Day Celebrated at Banquet.

MONEY SET ASIDE FOR POOR

Following Formal Business, Members of B'nai Abraham Drink Toasts to Past Presidents, Who Respond on Benevolent Work of Order—Ceremonies Arranged.

National Capital Lodge, No. 482, Independent Order of B'nai Abraham, celebrated the night before the Jewish New Year with a banquet at Eagles' Hall last evening.

Edward R. Lipschutz, president of the society, presided during the formal business of the lodge. After a sum of money was appropriated for the poor, the members sat down to the banquet board.

Louis Cohen acted as toastmaster, and toasts were responded to by the president, Edward R. Lipschutz, and by ex-presidents Samuel Gordon, Harris Knick, John Wolf, David Bergazin, Joseph Rothstein, A. C. Bobs, and William Weinberg, all of whom spoke on the benevolent work of the order and the great good that has been accomplished among the poor.

At the close of the toasts by the former presidents, all the members arose and drank a toast to a happy Jewish New Year.

Services in Synagogues.

Rosh Hoshanah, the Jewish New Year's Day, will be celebrated to-night and to-morrow in the synagogues of Washington with special services, all orthodox Hebrews of the city participating in the ceremonies. At the temple of the Reform Congregation, in Eighth street, the services will be most impressive, and will include a ritual of prayer, music, and an elaborate ceremonial.

Dr. Abram Simon will preach at 7:30 o'clock this evening on the theme, "Over the hills and far away." At 10 o'clock to-morrow morning Dr. Simon will have for his subject, "Make room." Both sermons will have special significance in the celebration of the New Year's Day.

The observance of Rosh Hoshanah, which is one of the oldest of the Jewish feast days, marks the beginning of a series of holy days to be celebrated by orthodox Hebrews during this month. Yom Kippur, the holiest day in the Jewish calendar, will be observed throughout the world on October 13. The day is one of atonement, and is most strictly observed by total abstinence from food from sundown to sundown.

Ordained in Scriptures.

"Succoth," or the Feast of the Tabernacle, begins October 18 and continues for eight days, concluding with "the day of solemn assembly." The feast is ordained in the Scriptures as follows: "Ye shall dwell in booths seven days, that your generations may know that I made the children of Israel to dwell in booths when I brought them out of the land of Egypt."

Though the celebration of Rosh Hoshanah, which begins this evening, is a solemn occasion, it is not a mournful one. It is a day of chastened memories and a day of reflection on man's frailty of character. The sounding of the shofar, or ram's horn, symbolizing the "memorial of the blowing of the trumpets," is included in the ceremonies of the feast.
